INVESTMENT OBJECTIVE

The Balondolozzi BCI Global Bond Fund aims to generate returns above a global bond index over time, utilising active bond management combined with strategies which aim to reduce risk.

INVESTMENT POLICY

The portfolio invests predominantly in global bonds. The portfolio's offshore exposure is greater than 80% of the portfolio's asset value. In order to achieve this objective, the investments normally to be included in the portfolio will comprise a combination of assets in liquid form and a combination of bonds and interest-bearing securities, including loan stock, debentures, debenture bonds, money market instruments, notes corporate debt and non-equity securities. The portfolio may also invest in participatory interests or any other form of participation in portfolios of collective investment schemes or other similar collective investment schemes as the Act may allow from time to time, and which are consistent with the portfolio's investment policy. The portfolio may from time to time invest in listed and unlisted financial instruments.

RISK PROFILE

Moderate Risk

- This portfolio has a balanced exposure to various asset classes. It has more equity exposure than a low risk portfolio but less than a high-risk portfolio. In turn the expected volatility is higher than a low risk portfolio, but less than a high-risk portfolio.
- Where the asset allocation contained in this MDD reflects offshore exposure, the portfolio is exposed to currency risks.
- The portfolio is exposed to equity as well as default and interest rate risks.
- The portfolio is suitable for medium term investment horizons.
- The probability of losses is higher than that of a low risk portfolio, but less than a high-risk portfolio and moderate long term investment returns are expected.

PORTFOLIO HOLDINGS

INFORMATION AND DISCLOSURES

Risks

Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Where foreign securities are included in the portfolio there may be additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information.

* Total Expense Ratio (TER)

Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TER's. Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER. The prior year ("PY") TER and Transaction cost calculations are based upon the portfolio's direct costs for the financial year ended 31 December 2024, whilst the underlying portfolios' ratio and cost calculations are based upon their most recent published figures, being 30 June 2025.

Effective Annual Cost:

Boutique Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at www.bcis.co.za. BCI calculates the EAC as per the ASISA standard for a period of 3 years up till the most recent TER reporting period.

#Monthly Fixed Admin Fee: R15 excl. VAT which will apply to all direct investor accounts with balances of less than R100 000 at month end, unless an investor transacts online, in which case no such fee will be levied.

Total Investment Charges

* Total Expense Ratio (TER)	Transactional Cost (TC)	Total Investment Charge (TER & TC)
0.37%	0.21%	0.58%
Of the value of the Fund was incurred as expenses relating to the administration of the Fund.	Of the value of the Fund was incurred as costs relating to the buying and selling of the assets underlying the Fund.	Of the value of the Fund was incurred as costs relating to the investment of the Fund.

FAIS Conflict of Interest Disclosure

Please note that your financial advisor may be a related party to the co-naming partner and/or BCI. It is your financial advisor's responsibility to disclose all fees he/she receives from any related party. The portfolio's TER includes all fees paid by portfolio to BCI, the trustees, the auditors, banks, the co-naming partner, underlying portfolios, and any other investment consultants/managers as well as distribution fees and LISP rebates, if applicable. The portfolio's performance numbers are calculated net of the TER expenses. The investment manager earns a portion of the service charge and performance fees where applicable. In some instances portfolios invest in other portfolios which form part of the BCI Scheme. These investments will be detailed in this document, as applicable.
